CATALOG

The Blinn College District catalog describes a flexible program of the curricula, educational plans, offerings, and requirements that may be altered to carry out the purposes and objectives of the College. The College Catalog is updated yearly by the College’s Office of Student Services in conjunction with the Office of Academic Affairs. The provisions of the catalog do not constitute an offer for a contract which may be accepted by students through registration and enrollment in the College.

CATALOG CHANGES

All changes in the College Catalog must be approved by the Vice Chancellor for Student Services, Vice Chancellor for Academic Affairs, and Vice Chancellor for Health Sciences, Technical and Workforce Education. Approved changes are submitted to the Office of Marketing and Communications which will process the updates/changes in the Catalog. The College reserves the right to change any provision, offering, or requirement at any time within the student’s period of study at the College. The College further reserves the right to require a student to withdraw from the College for cause at any time.

For notification purposes to students, changes made after the publication of the Catalog will be listed in the web version of the College Catalog under the section “Catalog Changes.”

TIMELINE FOR CHANGES

Substantial catalog changes, ones that considerably impact the student’s college experience, should be submitted to the office of Student Services or Academic Affairs no later than January preceding the subsequent academic year when the changes take effect. It is the responsibility of Academic Affairs and Services administrators to ensure that that departments have submitted requested changes within the appropriate timeframe.
