

**AMENDMENT TO THE
AGREEMENT FOR THE
BLINN COLLEGE DISTRICT
DUAL CREDIT PROGRAM**

This Amendment to the Agreement for the Blinn College District Dual Credit Program ("Addendum") is made and entered into August 20, 2025 ("Addendum Effective Date") between **Bryan Independent School District ("BISD")**, and **Blinn College District ("Blinn College")**.

WHEREAS, Bryan Independent School District (BISD) and Blinn College District (Blinn College) have entered into an Agreement, dated June 1, 2024, which established a dual credit program to be operated as part of the District's **Bryan High School**; and

WHEREAS, BISD and Blinn College District wish to amend the Agreement to update the tuition selection options for ACGM and WECM dual credit courses.

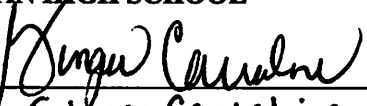

NOW, THEREFORE, in contemplation of the established relationship between the parties and in consideration of the mutual covenants contained herein, the parties agree to revise the tuition selections as follows:

- ☒ Option 1: IF, an instructor who is a College or District employee provides dual credit instruction regardless of location or modality; THEN a NON-FAST student enrolled in the Dual Credit Program will pay the State of Texas approved tuition rate for the current academic year.
- ☒ Option 2: IF, a qualified and approved instructor employed by the District is utilized for a course and the College does not pay the selected instructor a faculty overload rate; THEN, a NON-FAST student would only pay \$20 per credit hour (e.g. \$60 for a three (3) credit hour course, or \$80 for a four (4) credit hour course). Additionally, under this option, the District will receive a reimbursement of service payment of \$500 for each course section of dual credit. A minimum of eight (8) students are required for each course in the Dual Credit Program.
- ☒ Option 3: IF, a qualified and approved instructor employed by the District is utilized for a technical (WECM) dual credit course and the College pays no compensation to the instructor; THEN, the tuition for each student enrolled in that course are waived (e.g. there is NO COST to the student for a College technical dual credit course taught on a high school campus by a high school instructor).

Except as set forth in this Amendment, the remaining terms and conditions of the Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, each party has caused this Amendment to be executed as of the date set forth below.
