**To:** All Bidders

**Subject:** Clarification Memo RFP # 220

To maintain existing campus standard manufacturers, the basis of design for instantaneous water heaters to be installed at BCPA Phase 2 will be updated to Rinnai. Pumps and other accessories are to be Bell and Gossett. Heat tracing of exterior piping will be removed from project scope.

Please submit any questions regarding the RFP Specifications, Construction Documents and manufacturer changes noted above, by January 10, 2025, by 5:00pm.

The submitted questions and manufacturer changes will be addressed via formal Addendum on January 13, 2025.
